INDEPENDENT AUDITORS’ REPORT

TO THE BOARD OF DIRECTORS
TWIN COUNTY COMMUNITY FOUNDATION
GALAX, VIRGINIA

We have audited the accompanying financial statements of Twin County Community Foundation (a nonprofit organization), which comprise the statement of financial position as of September 30, 2019, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Twin County Community Foundation as of September 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.
Change in Accounting Principle

As described in Note 8 to the financial statements, in 2019, the Twin County Community Foundation adopted new accounting guidance, FASB ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. Our opinion is not modified with respect to this matter.

Net increase (decrease) in cash and cash equivalents $ 38,227

Cash and cash equivalents, October 1, 2018 309,643

Cash and cash equivalents, September 30, 2019 $ 347,870

The accompanying notes are an integral part of these financial statements.
NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. Nature of Activities:

Twin County Community Foundation (the Foundation) was organized to improve the health, welfare, and education of the residents of the service areas of the former Twin County Community Hospital. The Foundation was established with donated funds from the sale of the Twin County Community Hospital (a non-profit organization). The Foundation is governed by a self-perpetuating Board of Directors, serving staggered terms.

B. Basis of Accounting:

The Foundation maintains its assets and liabilities, and records its income and expenses by use of the accrual basis of accounting. Under the accrual basis, revenues are recognized in the accounting period in which they are earned, while expenses are recognized in the accounting period in which the related liability is incurred.

C. Financial Statement Presentation:

The Foundation reports information regarding its financial position and activities according to two classes of net assets based on the existence or absence of donor-imposed restrictions:

Net assets without donor restrictions - Net assets not subject to donor-imposed stipulations. At September 30, 2019, the Foundation had net assets without donor restriction of $10,038,141.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restrictions expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation as well as net assets whose use is limited by donor-imposed time and/or purpose restrictions. At September 30, 2019, the Foundation had net assets with donor restrictions of $470,851 related to hospice programs and scholarships.
NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

D. Property and Equipment:

Property and equipment acquired by the Foundation are considered to be owned by the Foundation. The Foundation follows the practice of capitalizing all expenditures for property, furniture, fixtures, and office equipment in excess of $1,000 at cost. Donations of property and equipment, if any, are recorded at their estimated fair value at the date of donation. Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets is included as part of the capitalized value of the assets constructed. Depreciation on assets is computed on a straight-line basis over the estimated useful lives of the assets. As of September 30, 2019 and for the year then ended, the Foundation did not hold any depreciable property meeting the aforementioned capitalization policy.

E. Investments:

Marketable securities are reported at fair value based upon quoted market prices or, when quotes are not available, are valued on the basis of comparable financial instruments. Donated securities are recorded at their fair value at the date of donation. Realized and unrealized investment gains and losses are determined by comparison of specific costs of acquisition to net proceeds received at the time of disposal or changes in the difference between fair market value and cost, respectively. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities.

F. Cash and Cash Equivalents:

For purposes of the statement of cash flows, cash and cash equivalents consist of cash on hand, cash in banks, and highly liquid investments with an initial maturity of three months or less. At year end, cash and cash equivalents included money market funds of $198,040.

G. Income Taxes:

The Foundation is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and therefore no provision for Federal income taxes has been reported in the accompanying financial statements. A form 990 as required by the Internal Revenue Service has been filed for the year ended September 30, 2019.

H. Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

M. Functional Allocation of Expenses:

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The Foundation has no fundraising expense. The Foundation directly charges expenses to various functions.

NOTE 2 - INVESTMENTS:

Fair values of assets measured on a recurring basis at September 30, 2019 are as follows:

<table>
<thead>
<tr>
<th>Cost (Basis)</th>
<th>Estimated Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bond Funds</td>
<td>$3,459,578</td>
</tr>
<tr>
<td>Fixed Income Securities (Certificates of Deposit)</td>
<td>250,125</td>
</tr>
<tr>
<td>Equity Mutual Funds and ETFs</td>
<td>5,719,579</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$9,429,282</strong></td>
</tr>
</tbody>
</table>

The following summarizes investment return and its classification in the statement of activities for the year ended September 30, 2019:

<table>
<thead>

<tr>
<td><strong>Net investment return</strong></td>
<td><strong>$306,494</strong></td>
<td><strong>$21,711</strong></td>
<td><strong>$328,205</strong></td>
</tr>
</tbody>
</table>
NOTE 3 - FAIR VALUES MEASUREMENTS:

Fair value for investments is determined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The three-level fair value hierarchy prioritizes the inputs used to measure fair value. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar asset and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The Foundation is providing the following information related to its investments:

<table>
<thead>
<tr>
<th>Quoted Prices</th>
<th>Fair Value</th>
<th>Level 1</th>
</tr>
</thead>
<tbody>
<tr>
<td>in Active Markets for Identical Assets</td>
<td>($10,162,229)</td>
<td>($10,162,229)</td>
</tr>
<tr>
<td>Investments</td>
<td>$10,162,229</td>
<td>$10,162,229</td>
</tr>
<tr>
<td>Money Market Funds</td>
<td>198,040</td>
<td>198,040</td>
</tr>
<tr>
<td>Totals</td>
<td>$10,360,269</td>
<td>$10,360,269</td>
</tr>
</tbody>
</table>

NOTE 4 - NET ASSETS WITH DONOR RESTRICTIONS:

Net assets with donor restrictions at September 30, 2019 are restricted for the following purposes:

<table>
<thead>
<tr>
<th>Purpose</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Hospice programs</td>
<td>$448,105</td>
</tr>
<tr>
<td>Scholarships</td>
<td>$22,746</td>
</tr>
<tr>
<td>Total</td>
<td>$470,851</td>
</tr>
</tbody>
</table>
NOTE 5 - CONCENTRATION OF CREDIT RISK:

Financial instruments that potentially subject the Foundation to concentrations of credit risk consist principally of temporary cash investments. The Foundation places its temporary cash investments with financial institutions and limits the amount of credit exposure to any one financial institution.

NOTE 6 - LIQUIDITY AND AVAILABILITY OF RESOURCES:

The Foundation monitors its liquidity so that it is able to meet its operating needs and other contractual commitments while attempting to maximize the investment of its excess operating cash. The Foundation has the following financial assets that could readily be made available within one year of the statement of financial position to fund expenses without limitations:

<table>
<thead>
<tr>
<th>2019</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Cash and cash equivalents</td>
<td>$ 346,092</td>
</tr>
<tr>
<td>Investments</td>
<td>9,693,156</td>
</tr>
<tr>
<td>Financial assets available to</td>
<td>$ 10,039,248</td>
</tr>
<tr>
<td>meet cash needs for general</td>
<td></td>
</tr>
<tr>
<td>expenditures within one year</td>
<td></td>
</tr>
</tbody>
</table>

The Foundation does not have a formal policy related to investing excess cash and maintaining balances but strives to maintain cash and cash equivalents balances to cover approximately three months of expenses at all times.

NOTE 7 - DATE OF MANAGEMENT'S REVIEW:

In preparing these financial statements, management of the Foundation has evaluated events and transactions for potential recognition or disclosure through February 28, 2020, the date the financial statements were available to be issued.

NOTE 8 - NEW ACCOUNTING PRONOUNCEMENT:

In 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-14, Presentation of Financial Statements for Not-for-Profit Entities. The Foundation has changed the presentation of its financial statements, accordingly, applying the changes retrospectively to the beginning net assets. The new ASU changes the following aspects of the Foundation’s financial statements:

- The temporarily restricted and permanently restricted net asset classes have been reduced to a single net asset class called net assets with donor restrictions.
- The unrestricted net asset class has been changed to net assets without donor restrictions.
- The financial statements include a new disclosure about liquidity and availability of resources.
- The financial statements include increased disclosures on functional expenses.

Adoption of the ASU did not result in any reclassifications or restatements to net assets.
NOTE 9 - SUBSEQUENT EVENTS:

After the fiscal year end, multiple countries (including the United States) were subject to the COVID-19 pandemic. The pandemic is expected to impact social and economic activity for an extended period. The ultimate financial outcome of the pandemic can not be reasonably estimated and accordingly the financial statements do not report any adjustments for same.
